About Club Rainbow

Established in 1992, Club Rainbow is a non-profit organisation and charity with the mission to support and empower children with chronic illnesses and their families. Armed with the firm belief that every child deserves equal opportunities to lead a fulfilling and independent life, Club Rainbow supports our children and their families in more than 30 critical programmes, services and assistance schemes. Adopting a holistic approach based on five core pillars of support, Club Rainbow partners our children and their families in their journey to achieve the following objectives at different stages of their lives:

KEY THRUSTS

- Living with Dignity**
 Building resilient families
- Maximising Developmental Potential**
 Developing independent adolescents
- Achieving Full Potential**
 Empowering individuals to be active contributors

CORE PILLARS OF SUPPORT

Children in Club Rainbow range from new-borns to youths up to age 20. These children suffer from a wide range of health challenges, from having very low birth weight to developmental delays and many other forms of organ disorders. With over 85% of children surviving into adulthood, Club Rainbow aims to develop them into empowered independent individuals, and active contributors of the society.

UNDERSCORING THE WORK THAT WE DO ARE OUR CORE VALUES:

As an independent charity, Club Rainbow relies largely on corporates and public donations to support our mission. Granted the Institution of a Public Character (IPC) status by Ministry of Health, monetary donations received may be tax-exempted.
