MOTHERS' DAY WORKSHOP FOR OUR CAREGIVERS

To celebrate Mothers' Day, Madam Sujatha Balan, a mummy of our beneficiary Thevasri Suresh has very kindly organized an Arts & Craft workshop for the caregivers and mothers of our beneficiaries and siblings receiving tuition at the Agape Village on the 19th May.

We had a total turn out of 13 caregivers and 2 beneficiaries who attended the workshop which they very intricately decorated the glass jar with their favorite family photos.

A new line up of caregiver Art & Craft workshops have been planned for this coming August to October! More details available on our website.

A DAY OF PLAY NATION FUN WITH TEE HAI CHEM PTE LTD

With the collaboration of Tee Hai Cham Pte Ltd, we pulled off a successful day of fun for our beneficiaries and families to play, bond and socialize over more than 200 board games and video games at Play Nation at the spanking new - Our Tampines Hub.

Our families gathered excitedly outside Chinatown on a Saturday morning (26 May) which they were then treated to a day of fun spent with the volunteers and a buffet lunch feast to wrap up the event!

Tee Hai Chem has been a vivid supporter of Club Rainbow's cause since last year's Kris Kringle and it was heartwarming to have many of our beneficiaries recognising their staff volunteers at the event. Thank you for believing in our cause and bringing smiles to our beneficiaries and their families!
